## Profile

Experienced Frontend Developer with a primary focus on leveraging the power of React and Redux to create engaging and seamless web applications. Proficient in the entire frontend development lifecycle, I bring a depth of knowledge in crafting visually appealing user interfaces that prioritize both aesthetics and functionality. My expertise extends to transforming design wireframes into interactive, responsive, and pixel-perfect layouts. Through constant exploration of emerging industry trends and best practices, I remain dedicated to refining my skills and delivering innovative solutions that enhance the overall user experience. As a collaborative team member, I effectively communicate across disciplines to ensure project milestones and deadlines are met while maintaining a high standard of code quality. My ultimate aim is to continually raise the bar in frontend development, pushing the boundaries to deliver digital experiences that resonate and inspire.

## Experience

### WEB DESIGNER | ACT T CONNECT | SEPTEMBER 2022 – FEBRUARY 2023

In my role at Act T Connect, I serve as a pivotal link, connecting design with technology. My focus spans HTML, CSS, JavaScript, and Laravel, enabling me to construct a variety of websites. I'm adept at turning design concepts into functional, visually appealing web interfaces that prioritize user experience. By collaborating cross-functionally, I ensure seamless alignment between design and implementation. With an up-to-date skill set and a commitment to quality, I deliver impactful digital solutions that meet both user and business needs.

### WEB DEVELOPER | VENTURING DIGITALLY | FEBRUARY 2023 – SEPTEMBER 2023

In my impactful role at Venturing Digitally, I lead dynamic digital ventures, leveraging a diverse toolkit of HTML, CSS, JavaScript, Laravel, React, Redux, and Git. My responsibilities span from crafting websites to developing specialized pharmaceutical software like Document Management Systems (DMS). This unique exposure has not only refined my skills in React, Redux, and JavaScript, but also deepened my appreciation for merging cutting-edge technology with intuitive user-centric design. I'm committed to continuously pushing the boundaries of digital innovation to deliver meaningful results.

## Education

### BACHELOR OF COMPUTER APPLICATIONS | 71% | AUGUST 2019 – JULY 2022

CHANDRA SHEKHAR AZAD INSTITUTE OF SCIENCE AND TECHNOLOGY  
JHANSI, UTTAR PRADESH
